The Cadillac Sixty-Two coupe, most modestly priced of all Cadillac models, offers interiors of new refinement for 1959. There are, for example, new fabrics of superb good taste including black nylon Carlisle cloth highlighted by gleaming Lurex threads in a choice of Silver, Blue, Rose, Turquoise or Green; or fine-patterned, soft-textured Mojave cloth in the more subdued colors of Fawn or Gray. Seat cushion and seat back styling offer new elegance with narrow 1¼" piping. Color-harmonized, Elascofab side bolsters provide pleasing design contrast. Door panels continue this piped and plain motif completing the unity of design apparent throughout every Cadillac motor car. Furthering the aura of luxury and warmth imparted by the Sixty-Two coupe interior is the thick loop-pile, nylon blend carpeting, covering not only the floor but also the scuff-pad areas of the seat cushions, door panels and cowl sidewalls.
